

Ivan Rudenko

Junior E-commerce Project Manager – Digital & Web Platforms

rudenko.ivan81@gmail.com +48 721 229 093 linkedin.com/in/ivan-rudenko/ github.com/Czinaaz Warsaw, Poland

About Me

Junior E-commerce Project Manager with hands-on experience delivering digital commerce projects within the Samsung ecosystem. Responsible for coordinating e-commerce content delivery, managing CMS workflows, and supporting cross-functional teams in Agile environments to ensure timely release of web content and product pages. My background in frontend development enables smooth communication between business stakeholders and technical teams, ensuring efficient execution of digital projects and high-quality user experiences.

Experience

Junior E-commerce Project Manager

Cheil Poland — Samsung

September 2025 - Present

- Coordinate end-to-end delivery of e-commerce website updates and digital content releases
- Manage product pages, campaign pages, and web content lifecycle using Adobe Experience Manager and SamsungShop CMS
- Support Agile delivery processes by tracking tasks and releases in Jira and OpenProject
- Bridged the gap between business stakeholders and technical teams (developers, UI/UX designers) to streamline digital commerce feature rollouts.
- Coordinate high-traffic e-commerce product pages and campaign rollouts within Adobe Experience Manager (AEM), ensuring 100% pixel-perfect compliance with global brand guidelines under tight deadlines.

Web Publisher | CMS Specialist

Cheil Poland

March 2024 - August 2025
